

# A Bi Bi's Adventure

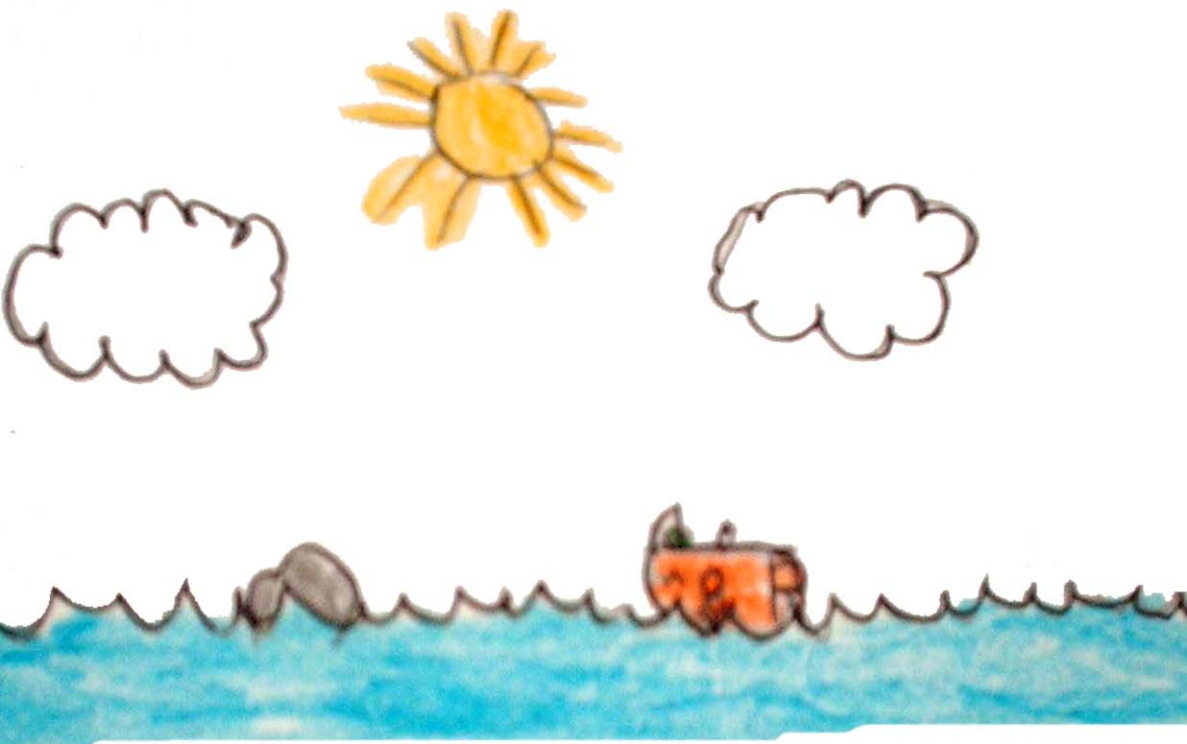

By Owen F.

*I am a leaf Bibi.  
I am going on a trip.  
I am going to an island  
called Macsol.  
I am going in my boat.*

*The next day, I ran out of gas.  
I couldn't do anything!  
Finally, I found a can of gas.  
I drove for a long time.  
I was very happy.*

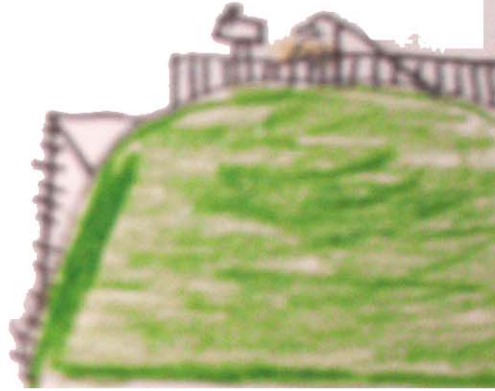

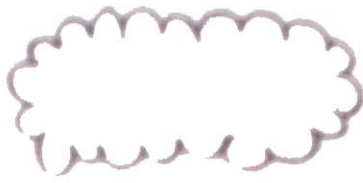

*I am finally on the island.  
I have found a coconut tree.  
I cannot stay long.  
I have to move on.*

*I have found a nice camping spot.  
I have been here for two days.  
I have to go.*

*I am boarding a boat  
to my house on the prairie.  
I have to go in a helicopter  
the rest of the way.*

*I see my house!*

***THE END***
